

Nurse Educator Apprenticeship Program

NEW Program for Registered Nurses Interested in an Educator Role

Are you interested in becoming a nurse educator? Part-time and full-time nurse educators are in high demand. In this innovative three-course apprenticeship program, you will gain the practical knowledge and leadership skills needed to begin teaching at a nursing school, college, or university—or in a clinical setting. Together with mentored on-the-job training, this program will qualify you to sit for the Certified Nurse Educator Novice exam and CNE®n designation by the National League for Nursing. Continuing Education Nursing Contact Hours will be offered.

Registration Fee: Complimentary

Launch Date: Late Spring 2023

Eligibility Requirements:

- ❖ Active, unencumbered, NJ Registered Nurse License
- ❖ Minimum of a Master of Science in Nursing degree
- ❖ Currently employed at a health care facility

Program Features:

- ❖ Mentorship by experienced nurse educators
- ❖ Quarterly cohort-based in-person debriefing sessions
- ❖ Courses are 8 weeks long
- ❖ Asynchronous Online courses combined with on-the-job learning

Required Continuing Education Courses:

- ❖ Teaching in Nursing
- ❖ Curriculum Development in Nursing Education
- ❖ Assessment and Evaluation in Nursing Education

Expand your career options. Get started today!
