

About The New Jersey RN Programs Dashboard

The New Jersey RN Programs interactive dashboard provides information on all New Jersey Registered Nurse programs for prospective students. The dashboard includes data for all 49 schools (58 campuses) in New Jersey that provide RN education. The types of RN schools include: community colleges, universities, and diploma schools of nursing.

How to use the dashboard:

- Click on a school from the School List to get the school's geographic location on the Map and the nursing program(s) it offers
- Or, obtain a list of schools and their geographic location by choosing a county from either of the sections on the right side
- Or, hover over and click on a dot on the Map to get the school's information
- Click on a dot on the Map to access the program's website

Source of data:

The data was acquired from NJCCN's Educational Capacity Survey and schools' website.
