

New Jersey Organizations of Nursing Empowered (ONE) Coalition

Membership Agreement

Parties: New Jersey Organizations of Nursing Empowered Coalition and [Name of Organization]

Purpose: Educate policymakers on select nursing and healthcare topics of common interest shared across New Jersey professional nursing organizations.

Member Commitment:

1. Designate a representative (or alternate) to participate and vote in coalition's activities on behalf of your organization.
2. Respond to voting items before the assigned date, as needed.
3. Allow use of organization's name and logo for coalition membership.
4. Adhere to the coalition's values when communicating during and in relation to coalition's activities with a focus on solutions to our state's health care needs.

Coalition Commitment:

1. The lead agency of the coalition is the New Jersey Collaborating Center for Nursing.
2. Provide coordination, agendas, minutes, shared resources, and timely communications.

Decision-Making: The Steering Committee will navigate and prioritize agenda items, which will only move forward with the support of all its members. The coalition will strive for consensus among all member organizations. When consensus cannot be achieved, decisions will be made with a majority of member organizations' vote (50% plus one). Member organizations will have advance notice of agenda items, although time-sensitive meetings may be held ad hoc for urgent items. Member organizations will provide their vote through their representative during meetings using Robert's Rules. Member organizations who are not present will be provided with a given timeframe to respond based on the urgency of the item. All coalition member organizations have the same number of votes (one each).

Data and Confidentiality: Non-public materials shared with the coalition and education and advocacy from the coalition remain confidential unless released by the Chairperson.

Term and Exit: Effective on signature, either party may withdraw with 30 days' notice.

Non-Binding: This agreement expresses intent and is not a legally binding contract.
